## **SHOULDER WORK ON INTERSTATE 10 BETWEEN FORD AND ORANGE STREETS WILL REQUIRE NIGHT LANE CLOSURES DECEMBER 12-16**

Work to rehabilitate the eastbound and westbound shoulders of Interstate 10 between Ford and Orange Streets in Redlands will require temporary lane closures at night, December 12-16. Lane closures will occur as follows:

- Westbound – 1 lane at 8 p.m. and 2 lanes from 10 p.m. to 4 a.m.
- Eastbound – 1 lane at 9 p.m. and 2 lanes from 11 p.m. to 5 a.m. On Saturday morning, lanes will be closed until 6 a.m. (It may be necessary to close all three eastbound lanes at night during certain phases of work this week).

Throughout the week, work will include removing old pavement, placing new pavement and restriping lanes. Lane closures will vary during the different work phases. Please follow posted signs and drive carefully through the construction area.

In addition to the nightly freeway lane closures, on and off-ramps will be closed as needed to allow the paving operation to be completed at these ramp areas. The following local streets also will be closed between 8 p.m. and 4 a.m. for street striping: Orange Street, Sixth Street, Church Street, University Street, Citrus Avenue, Cypress Avenue, Palm Avenue, Highland Avenue and Ford Street.

For more project information, call the Interstate 10 helpline at (909) 889-8611 ext 102 or visit the San Bernardino Associated Governments website at [www.sanbag.ca.gov](http://www.sanbag.ca.gov).

SANBAG appreciates your patience during this freeway widening project.
